

2020 3rd International Conference on Novel Functional Materials

DECEMBER 21-22, 2020 | XIAMEN, CHINA

Calling For Papers/ Abstracts/ Listeners/ Posters/Speakers/ TPC Members

Call For Papers

Topic 1: Electrocatalysis

- 1. Study on the Effect of Electrocatalytic Surface Structure
- 2. Controlled synthesis of nanoparticle surface structure
- 3. Electrocatalyst design and theoretical simulation
- 4. Research on Innovative Preparation Method of Electrocatalyst
- 5. Catalyst carrier related research
- 6. Nano carbon catalysis
- 7. Organic small molecule electrocatalysis
- 8. Enzyme electrocatalysis
- 9. Fuel cell electrocatalysis
- 10. Industrial electrocatalysis

Topic 2: Photocatalytic

- 1. Controllable Synthesis of TiO₂-based Photocatalyst
- 2. Exploration of new photocatalytic materials
- 3. Research on the improvement of photocatalytic material activity and energy efficiency
- 4. Theoretical calculation method of photocatalytic materials
- 5. Characterization and performance evaluation of photocatalytic materials
- 6. Photocatalytic new energy
- 7. Photoelectric (photothermal) synergistic catalysis

Introduction

ICNFM2020 aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of advanced functional materials. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of advanced functional materials. The 1st ICNFM2018 has been successfully held in University of Science and Technology Liaoning during Sep.16-18, 2018. The 2nd ICNFM2019 has been successfully held in University of Science and Technology Liaoning during Nov.8-9, 2019.

Important Date

Submission Deadline: September 4, 2020

Acceptance Notification: September 9, 2020

Registration Due: September 14, 2020

Conference Dates: December 21-22, 2020

Publication

All accepted papers of ICNFM2020 will be arranged to publish in conference Proceeding, which is indexed by EI Compendex, Scopus, Thomson Reuters (WoS), Inspec, et al.

History

1st ICNFM-ICNFM2018

Venue: University of Science and Technology Liaoning, Anshan, China.

2nd ICNFM-ICNFM2019
Venue: Shanghai, China
